The screenshot shows a web-based application interface. At the top, there is a navigation bar with the following items: Home, Projects (which is highlighted in green), Workspace, Admin, Database, About, and Log out. Below the navigation bar, the main title "Projects" is centered. To the left, there is a sidebar containing three collapsed sections labeled "Org 1", "Org 2", and "Org 3". Each section has a small downward arrow icon next to its name. To the right of the sidebar, there are four large, empty gray rectangular boxes arranged in a 2x2 grid.

Admin view

The screenshot shows a web-based administrative interface with a dark grey header bar. The header contains navigation links: Home, Projects, Admin (which is highlighted in green), Database, and Log out. Below the header is a section titled "Administrative tools" containing four main buttons, each enclosed in a rounded rectangular box:

- Upload sheet**: A box containing fields for Name (Sheet_3_final) and URL (<http://drive.beatB...>). It includes two buttons: History and Upload.
- Add project**: A box containing a Name field and an Upload button.
- Add organization**: A box containing a Name field and an Upload button.
- Add person**: A box containing a Name field and an Upload button.
